

CSI Arizona

SCHOOL RESPONSIBILITY AGREEMENT

We certify, as evidenced by our signatures on the lines below, that all students in (Name of Teacher) _____ *CSI* class club are eligible and qualified students according to the CSI Arizona Rules and policies. We agree to be responsible for the *CSI Arizona Competitive team* for _____ school. This responsibility includes the teacher being with his/her class in all scheduled activities at the state level *CSI Arizona* competition. The responsibility also includes the teacher taking care of the necessary arrangements of notifying the parents of participating students about the dates, times, and locations of all competitions. Teachers must also acquire the necessary emergency information and permission/release forms from the parent(s)/guardian should an accident take place involving the students, which absolves the Arizona Foundation for Legal Services & Education from responsibility for student safety.

We have read and understand the Rules and Policies Governing the *CSI Arizona* Program and affirm that all students understand the program rules and policies. Any violation of the Rules of the Competition or policies, may result in the class(es) or student(s) ineligibility to participate in the Program at the sole discretion of the Program's administrators.
